

The United Diocese of Glasgow and Galloway Climate Crisis Action Plan

10 Points of Guidance – making a response

This sheet may be completed and submitted as many times as you desire and the latest version will be included on the website. Any empty boxes will keep the last response you may have submitted or simply state “no response yet”. Responses may be any length and any images will be included as possible. Responses can be sent in by an individual, a household, a family, or a group.

Response from: _____

1. Seeking to reduce energy use in all our buildings and moving from oil/gas to electricity where possible

Response:

2. Implementing renewable energy solutions such as heat pumps and solar power on our property

Response:

3. Using less polluting forms of transport, moving to electric or hybrid cars, car sharing, wherever possible walking or cycling

Response:

4. Developing wildlife conservation schemes in our land

Response:

5. Using Fair Trade, environment- and animal-friendly products wherever possible

Response:

6. Reducing waste by composting and recycling as much of it as possible

Response:

7. Reducing paper usage (and then only using recycled paper)

Response:

8. Using online meetings often, but balanced with our need for human contact and Christian fellowship

Response

9. Disseminating information on good practice, and seeking expert advice, practical help, and funding possibilities

Response:

10.Promoting sustainability through our preaching, liturgy and teaching, and setting a good example

Response:

Please send your sheet to Rector@SECStJohnStMargaret.org.uk
or you can give hand written answers to the Rector or Curate at Church.
