Prayer for Ukraine

PRAYER FOR UKRAINE

O God, the divine seeker, you are light to the lost, bread to the hungry, deliverance to the captive, healing to the sick, eternal vision to the dying, and harbour to every soul in peril.

Gather all those who are facing fear, hunger, oppression, death and injury through war and violence into the community of your mercy and grace.

We lift up to you those in Ukraine and throughout the world who cry for justice, peace and renewed hope.

Grant us the strength and will that with grace and compassion we may respond with your love.

Amen.

Some prayers for use during the pandemic

God of all mercy and compassion,
life and death are in your hands.

Hear our prayers in this time of illness and infection,
of isolation, fear, and uncertainty:

for the sick, and those weighed down by pain, distress,
loneliness, and anxiety;

for all who care for them, conscious of the risks they bear;

and for those who have responsibility for public health and social order.

Hear the cry of the afflicted and let them be comforted,

so that all who suffer may come to know
that they are joined to the sufferings of Christ,
who gave his life for the salvation of the world;
and by your blessing on them and those who care for them,
may they be restored, according to your will,
to soundness of body and mind,
and offer you joyful thanks in your Church.
Through Jesus Christ, your Son, our Lord,
who lives and reigns with you,
in the unity of the Holy Spirit,
God for ever and ever.

God of our Salvation,
you have ordained that we should serve you
in serving one another.
Look upon this nation,
burdened at this time with many cares and anxieties,
with infection, sickness, and untimely death.
Grant us grace to work together,
with honest and faithful hearts,
each caring for the good of all;
that, striving first for your kingdom and its righteousness,
we may have added to us all things that we need
for our daily sustenance
and the common good.
Through Jesus Christ, our Lord.

(Based on a prayer of Geoffrey Fisher)

O God, whose love we cannot measure,
nor even number thy blessings:
we bless and praise thee for all thy goodness,
who in our weakness art our strength,
in our darkness, light,
in our sorrows, comfort and peace,
and from everlasting to everlasting art our God,
Father, Son, and Holy Spirit, world without end.

(Supplement to the Indian Book of Common Prayer)

The doors of the house where the disciples had met were locked (John 20. 19)

Ever-present God,
be with us in our isolation,
be close to us in our distancing,
be healing in our sickness, be joy in our sadness,
be light in our darkness, be wisdom in our confusion,
be all that is familiar when all is unfamiliar,
that when the doors reopen we may with the zeal of Pentecost
inhabit our communities and speak of your goodness
to an emerging world.
For Jesus' sake.

(A prayer by Andrew Nunn, Dean of Southwark)

Faith in action (March) – Asylum Seekers

Before presenting some possible suggestions about how to help the plight of asylum seekers it is important to consider several popular myths found in the printed media. Many newspapers place particular rhetorical emphasis on the 'hordes' of people attempting to seek asylum in the 'soft touch' UK. However, the actual proportion of people applying for asylum to the UK is actually a minute percentage of the overall worldwide number of asylum seekers and the UNHCR calculates that the UK receives less than 0.5% of the total world population of refugees.

Another common view in the press is that asylum seekers drain the resources of local authorities which could have been spent on tax-paying citizens. However, this is again fallacious, since funding for asylum seekers comes from central Government, not local authorities' budgets. Finally it is vital to emphasise that despite media attempts to demonise asylum seekers, the vast majority of people seeking asylum are genuine, scared and desperate people who are seeking refuge often from countries where their basic human rights are not respected. Of the thousands of people who apply for asylum, only a thousand or so come to Scotland each year. However, due to government re-organising, this number is set to rise over the next few years.

So, what can we do? It is important to keep yourself informed and up to date with accurate statistics and information about asylum seekers. You can do this very easily by contacting and/or applying for a free e-mail newsletter from the Scottish Asylum Seekers Consortium which will give you accurate coverage of the state of affairs in Scotland.

You may wish to try the following:

- pray for asylum seekers
- become a member and support the work of the Scottish Refugee Council
- if a student get in touch with Student Action for Refugees
- donate clothes, blankets, baby clothes, toys and non-perishable foods to charities caring for refugees
- join the Scottish Detainee Visitors' Scheme and visit Dungavel detention centre and support those living there
- write to your MP and MSP regarding the plight of refugees in our country
- become a mentor to an approved refugee as he/she seeks employment

A Prayer

Almighty God,
through your Son, Jesus Christ we are called to
serve the marginalised and vulnerable within
our society.

Give us Your gift of Grace that we might share in
the plight of all asylum seekers and refugees
and open our hearts to them, that Your love
may be known:
through Christ our Lord.
AMEN
