Faith in action (September) – Racial Justice

The celebration of the diversity of humanity lies at the heart of the Christian response to other cultures and races across the world. We are fortunate to have people from a diversity of backgrounds and ethnic groups who all contribute to the richness and texture of life in One Scotland. We have a duty to ensure that the dignity of all is respected at all times. We must not stand quietly aside and allow prejudice of any sort

to diminish a person's full humanity. We must affirm our faith in God as our creator whose work reflects the diversity that we celebrate..

You may wish to try the following:

- pray for those involved in racial justice
- promote observance of Racial Justice Sunday every September in your church
- pray for victims of racist attacks and those who work with them
- help promote Racial Justice issues in your local church network
- discourage racist comments even in casual comments
- promote diversity as a fundamental divine principle
- organise ethnic food festivals
- encourage use of music and liturgy which expresses diversity in the Anglican Communion

Prayer for racial justice

Our heavenly Father,

You made us in your own image and likeness.

Help us to treat everyone with dignity and respect.

You sent your only Son to show us how to live.

Teach us to live like him, loving and caring for everyone.

Help us to remember that we are all

members of the same human family, your family.

Help us to remember that we all experience grief, hunger, pain,
joy and happiness in the same way whatever our creed,
the colour of our skins or our status in life.

Help us not to judge and be prejudiced
but to be compassionate and kind.

Loving Father, in your mercy, hear our prayer.

AMEN
