[www.SECStJohnStMargaret.org.uk](http://www.SECStJohnStMargaret.org.uk)

Dear friends of St John's & St Margaret's,

Here we are locked down again and looking ahead to all being vaccinated and freedom returning to us later in the year. It is a frustrating time and a wearying time as we miss seeing our friends and meeting together. As I write this it is the 25<sup>th</sup> day of the Christmas season and much as I try it is difficult to 'keep the feast' with so much illness, suffering and death in the news.

As we face the coming weeks it is a test to us all to keep ourselves safe by remaining at home as much as we can and not mingling with anyone. May God in Christ Jesus help us in our physical discipline and our spiritual discipline as we seek & hope to become the 'Church triumphant' at the end of this period of isolation. Keep in touch friends and do feel free to call if you fancy a chat.

# For LENT 2021

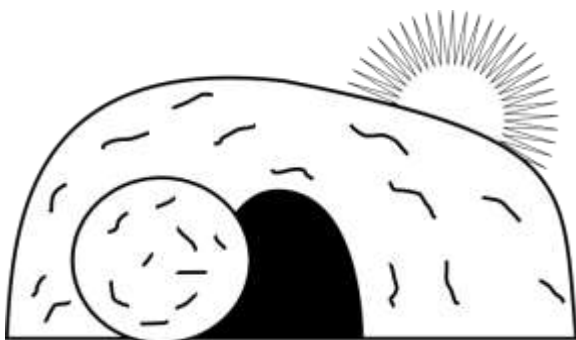

Our Lent Course this year is called

**Stepping towards the Light**

**A Lent Pilgrimage**

*You have been told, O mortal, what is good; and what does the LORD require of you but to do justice, and to love kindness, and to walk humbly with your God?*

Micah 6.8

## **A course for our times...**

We live in times of uncertainty. Lent 2021 may occur at a time of transition from lives restricted by coronavirus to the hope of life lived in greater freedom. As Christian disciples, how can we walk this path in a way that acknowledges the pain and griefs experienced and yet looks forward in hope for ourselves and for our world?

## **Why this course?**

Stepping towards the Light is designed to enable individuals, groups and congregations to make Lent a time for considering their recent experiences in light of their lives as Christians and their longing for a better world. It will nurture participants to be Christian citizens in their homes, workplaces, local and global communities.

## **Who is this Lent Pilgrimage for?**

The course is for anyone who sees themselves as part of the Scottish Episcopal Church in Renfrewshire. No experience in theology or formal Christian education is needed, just an open mind and heart! Participants will need to be able to access Zoom on a computer, tablet or phone. *(Help with connecting to Zoom can be provided as needed)*

### **Week One – 7.30pm 18th February**

Trusting in God's mercy: finding God in the pandemic

### **Week Two - 7.30pm 25th February**

Loving mercy 1: owning our individual losses and seeking forgiveness

### **Week Three - 7.30pm 4th March**

Loving mercy 2: looking at our society: reasons to mourn and signs of renewal

### **Week Four - 7.30pm 11th March**

Walking humbly: reflecting through the eyes of Christ (Scripture)

### **Week Five - 7.30pm 18th March**

Discerning how to act justly

**Holy Week** - A reflection on the Passion story

**Easter time** - A reflection on the meaning of resurrection

**Pentecost recall session: 7.30pm 27 May**

How have we put this into practice?

## **Who is providing this course?**

The course is jointly offered by the Craighead Institute for Life and Faith and St John's Johnstone & St Margaret's Renfrew. The Craighead Institute has over 30 years' experience of delivering Christian adult education to congregations and groups in Scotland and internationally. St John's & St Margaret's have been pioneering faith development for church members at home during lockdown. The lead course facilitators are Lisa Curtice, Anne Macdonald and the Very Rev'd Reuben Preston, all of whom are experienced in adult education, group facilitation and Ignatian Spirituality.

**To join in let Lisa know and she will send you full details**

# Faith in a time of pandemic

## Getting practical as we face these tough weeks together

I want to write about some very practical things we can share at home in our isolation to help us all through these coming months. Routine is important. Try and get up at the same time each day. Have a list of people you talk to on the phone/zoom during the week. Don't over do it – you will just feel exhausted. Make sure you eat a varied diet and make sure you read a good variety of writing too: some fact, some fiction, some fantasy, some gospel, some self help.....

## Walking prayer

If you can get about you can do walking prayer in your yard, garden, street or around the park. Decide deliberately when you are going to start and use 10mins or so to talk to God "like a friend" about all that is on your mind. Ask God for help with the things that are a worry to you and tell God why these things are a worry to you. As you then walk pray the Lord's Prayer slowly thinking about the words (say it out loud if you are able to). Then look up and remember you are a unique part of creation along with everything else you can see. Take a deep breath and feel the air going in and out of your lungs and say The Grace. Oh and say thank you to God for being with you in your prayer time.

## Some good things to look at Online

Here are some links to amazing Youtube pieces – enjoy them, and share them with someone else too. And do Sing along at home! And laugh out loud! And enjoy your tears.....

## Continuing to worship together through Lockdown 2021

This challenging time is an opportunity to explore using the telephone and internet, to help us deepen our faith.

**2pm Telephone Church is 20mins on a Wednesday afternoon** for a short service hearing the readings for the day and using our Intercessions leaflet to help us in our prayer for the world and our churches. The service starts at 2pm so dial in around 155pm or so to get connected.

**7pm Zoom Communion is each Wednesday** and we hear the readings for the day and pray with each other for all that is happening in our lives. There is an opportunity to chat afterwards if you want to join in.

**On Sundays** – We are continuing our recorded Eucharist from each building from 0945am and links to the YouTube tracks used are on the website s you can join in at home by singing along.

**Sunday 6pm Evensong** – this service will continue as we meet together and hear the bible readings for the evening and pray for our Charges and the issues for the world. Hymns and musical settings are used from YouTube so that we can all sing at home too. At the end you can go or stay and chat to other people.

We do not know how long our church buildings will be closed for public worship – the website will issue updates as information becomes available.

**In our Church Buildings:** - Funerals limited to 20 people and Weddings limited to 5 people (priest, couple and 2 witnesses) can still take place in our church buildings – please contact the Rector as necessary. The Rector is allowed to conduct Funerals at the Crematoriums and Cemeteries.

***Thank you for your donations towards the extra costs in keeping connected during the Advent, Christmas & Epiphany Seasons - £366 has been sent in that's great as it really helps towards ongoing costs***

*If you would like to make a donation towards the printing, postage and preparation costs of our OoFs and Newletters please send your donation to the Rector at 29 Gleniffer Road, Renfrew PA4 0RD or send it electronically to [www.paypal.me/reubenjamespreston](http://www.paypal.me/reubenjamespreston)*

### **A note from John Mitchell (Lay Representative, St Margaret's)**

**“First of all, this is to thank Rev Reuben and Lisa** for the immense amounts of work that have gone into the various mailings that have been sent out over the last two months, and also to say thanks to everyone who contributed to the OoF (Observing our Faith) pages on our joint website and everyone who’s supported the online services and gatherings, which take many hours of preparation. We are richly served with these regular events compared with many other churches in the diocese, so please keep (or start!) trying to reward all the

work that goes into these gatherings by offering support in coming along, either on Zoom or by telephone –easy instructions are enclosed as usual! And don't forget the new regular Evensong service on Sunday evenings at 6pm, where it was lovely to see so many join in at the first one on 10<sup>th</sup> January.

**Secondly, huge thanks to everyone who has continued to help our churches (and our Rector)** with your financial support. The loss of income from regular collections at services has had quite a serious effect on our finances, but the situation is better than we had feared when the pandemic began, because so many of you have either continued to send regular contributions by cheque, or by asking for envelopes to be collected, or you've changed to making contributions by Standing Orders or electronic bank transfers. However you've done it, thank-you for doing it, because you've helped us to survive! If anyone wants envelopes or donations collected, please contact the Rector or me, or please consider taking out a standing order if you haven't already done so. Every piece of continued (or even increased!) support will help us to keep going.

**Finally: to anyone who supports our two Compassion Children, Yhumar and Saray:** Doreen's funds are running low again and will run out in February without further input. Again, I am happy to collect contributions from your door and deliver to Doreen if you usually pay her in cash. Alternatively, please send any cheques, payable to **St Margaret's Child Care Group**, to Doreen Ward, 5 Birkhall Avenue, Inchinnan PA4 9QA"

# St Johns Development works in 2021

On Thursday 14 January the architect met with Gill and Reuben to plan for the coming year. With all the permissions we need in place with the diocese we 'just' need to organize it into happening!

This will involve a lot of work and planning and coordinating as well as some very structured fundraising over the coming two years.

Here are the stages which are being worked on at the moment:

1. Drawing the plans to go to tender for the loo, kitchen, vestries and new room
2. Arranging the relighting of the nave, and the chancel & the transepts – 2 separate activities
3. Relocation of the font
4. Relocation of the pews around the transepts
5. Seeking organ quotes for repair/removal to store

The next big meeting with the architect is the beginning of March when a plan for going to tender will be created to get quotes for the work.

The stonework, plasterwork, decorating and carpeting will follow on later of course.

We are hoping that a meeting to look at potential Grants we can apply for may help towards some of the costs but for now we are launching an Organ Appeal to look towards covering the costs of providing St Johns with a good working organ in the coming years. There is much wrong with the current organ and we are seeking quotes for its restoration which will be many tens of thousands of pounds.

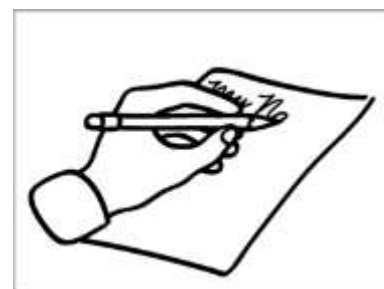

More details on the further money we shall need to complete the works will come in March & April but for now we can begin looking to raise money for the Organ's repair/restoration/replacement as we are guided by the organ builders to make sure that we have a good instrument for the coming decades.

## St Johns Organ Fund

If you would like to think about giving towards the work on the organ please do and send a Cheque to the Rector payable to "St Johns Episcopal Church" and write 'Organ' on the back. Or send a donation via BACs using the details earlier in the Newsletter with ORGAN as a reference. We shall keep you updated as to the amounts of funds we are needing to carry out the work as we receive the details.

**Renewing St Johns for the Future** – if you have left a bequest in your Will to St Johns, *Thank you very much*. If you are thinking about doing so, please do, as we plan for the next chapter of St John's ministry in and around Johnstone. If you would like to have a private conversation about it with the Rector please just call him on 07971 895897. Also a very helpful page on the

Province's website is at <https://www.scotland.anglican.org/vestry-resources/stewardship-gift-aid-and-legacies/leaving-a-legacy-in-your-will-to-the-church/>
